SWEETWATER - The Texas AgriLife Extension Service office in Nolan County will conduct an agricultural update workshop for producers at 6 p.m. July 23 in the county's AgriLife Extension office.

Two Texas Department of Agriculture continuing education units will be available for private applicator license holders.

Topics and speakers will include brush control chemical choices, Dr. Allan McGinty, AgriLife Extension range specialist in San Angelo, and new trichomoniasis-related requirements for cattle, Dr. Bud Aldridge, a veterinarian from Sweetwater.

Registration is \$5 at the door.

For more information, contact the AgriLife Extension office in Nolan County at 325-236-6912.
